Just as acclaimed director Sir Peter Jackson did, guests will fall in love with the Alexander family sheep and beef farm as they journey through the beauty of the land, with the Kaimai Ranges towering in the distance. Guides escort guests around the movie set, showing the intricate detailing and pointing out famous filming locations and explaining how the movie magic was made.

Visitors are guided around the 12-acre set; past Hobbit Holes™, venturing through the interior of an authentic Hobbit Hole on Bagshot Row™, by the Mill and into the world-famous Green Dragon™ Inn.
